SWISS BOOSTERS™

Targeted solutions to address specific skincare concerns.

INTENSIVE ANTI-AGING

BIO•SERUM
Bio-restorative Serum
Intensive Treatment
Powered by an intensive
concentration of PSP®
ALL SKIN TYPES
AM/PM

- Super-charged serum with an unprecedented amount of PSP® for amplified results in less time.
- Daily intensive anti-aging intervention helps target the appearance of fine lines and wrinkles.
- Helps to redefine the look of facial contours and skin firmness.

NOUVELLE 6
Retinol Skin Cream
Powered by RETINOL
ALL SKIN TYPES
PM

- Helps reduce the appearance of fine lines, wrinkles and the signs of photo-aging with 0.6% Retinol.
- Innovative μ -Bead technology helps provide a sustained dose of Retinol for optimal efficacy and low irritation.
- Nightly application combined with PSP® products helps revitalize and rejuvenate the appearance of aging skin.

Do not use this product if you are pregnant or lactating. Do not use if taking prescription acne medication, or after undergoing a skin procedure such as a peel, or light and laser treatments.

OXIDATIVE STRESS

RéACTIVE
Anti-Oxidant Serum
Powered by VITAPLEX C™
ALL SKIN TYPES
AM/PM

- Helps protect skin from oxidative stress, both internally and externally.
- Neutralizes free radicals at multiple levels of free-radical activity to help minimize skin alterations due to oxidative stress.
- Helps minimize the signs of redness related to oxidative stress.
- Vitamin C at a concentration of 15%, plus other potent anti-oxidants and energizing Creatine, help contribute to creating a wrinkle "shield" against oxidative stress.
- Helps preserve the look of youthful skin.

NON-COMEDOGENIC • OPHTHALMOLOGIST AND DERMATOLOGIST TESTED
FREE OF COLOR ADDITIVES • FRAGRANCE-FREE

NEOCUTIS

Exclusive Swiss Technology
available through physicians

www.NEOCUTIS.com

NEOCUTIS products are for external use only and not for use on wounds. NEOCUTIS products are contraindicated in individuals with known hypersensitivity to any component of the product(s) or with skin cancer at the site(s) of application. Individuals taking immunosuppressive medication(s) should consult with physician since NEOCUTIS products, as is typically the case for cosmetic products, have not been evaluated in those types of individuals. See Package Insert for complete information.
